

RMH BC ADOPT A ROOM

Through the Adopt a Room program, you help us ensure that more families from across BC and Yukon can stay at Ronald McDonald House BC during their time of greatest need.

Your Impact

When you Adopt a Room at Ronald McDonald House BC, you give the gift of comfort to families staying far away from home, providing a familiar, welcoming space to come home to after a long day of treatment. Ronald McDonald House BC depends on community supporters like you to serve up to 2500 families a year.

Why it's Important to Give

When a child is diagnosed with a life-threatening illness, their family needs to be by their side to support them during treatment. BC Children's Hospital serves sick children throughout all of British Columbia and Yukon, meaning many families are faced with long distance travel and expensive accommodation. Often one or both parents are forced to take a leave of absence or quit their job altogether to focus on their child.

By providing a home away from home, Ronald McDonald House BC eases the financial and emotional burden on families, allowing them to focus on their child's treatment and on healing together.

We Appreciate and Recognize your Support:

- ♥ Prominent naming outside the room for the length of your adoption
- ♥ A tour of the new Ronald McDonald House BC
- ♥ Take away donor keepsake of your donation
- ♥ Invitation to RMH BC special events
- ♥ A tax receipt applicable for the calendar year of each payment
- ♥ A first right of renewal to continue support of your room at the end of the three or five year commitment.
