

# Home For Dinner

Supporting the families of Ronald McDonald House BC & Yukon

Celebrate the tradition of sharing a meal with those you love and help us launch our new Home for Dinner program, benefitting the families of Ronald McDonald House BC & Yukon. For this community event, we are inviting the community to host a dining event in support of the House. Whether you decide to host an intimate gathering or a big get-together, eat in or dine out – the possibilities are endless!

Instead of bringing a bottle of wine or paying for their own tab, your guests can contribute something even more meaningful: a donation that will ensure that families can continue to share everyday moments like eating a home-cooked meal together when it really matters most.

How to get involved:

**1. SIGN UP**

Visit [www.rmhbc.ca/home-for-dinner](http://www.rmhbc.ca/home-for-dinner) to set-up a personalized fundraising page and access supporting materials that can help make your event a success

**2. GET PLANNING**

Plan a home-cooked meal or a dine-out event at your favourite restaurant and invite your favourite people to participate

**3. DO YOUR THING**

Host your dining event and collect donations

**4. MAKE A DIFFERENCE!**

The funds raised will ensure a family can continue to share meals and moments together at RMH BC while their child receives life-saving medical treatment

We hope you will join us! Our goal is to have 73 events taking place in the month of July – one for every family currently staying at the House.
