Supporting the families of Ronald McDonald House BC & Yukon

Tonight we are celebrating the tradition of sharing a meal together while supporting a great cause.

Every story is different at Ronald McDonald House BC & Yukon, but so many of them start the same way: on what should have been a normal day, a child is diagnosed with a serious illness. Their family must then leave for Vancouver immediately, not knowing where they will stay, or for how long. This is why RMH BC is so important. The House provides a home-away-from-home for 73 families each night and up to 2,000 families each year. The average family stays 11 nights at the House, but many stay for months or even years.

On this journey, these families face tremendous emotional and financial hardships and the House relies on generous donations from the community to continue to provide a comfortable home and a sense of community when it really matters most.

Thank you for helping make a difference to the families of RMH BC.
