

Be a House Champion!

Youth Activity Toolkit

Did you know? When a child is sick or injured, families sometimes need to travel far from home for medical care that can last a week, a month, or even longer. It's a long time to be away from home and to be apart from your brothers, sisters, mom or dad.

That's where Ronald McDonald House BC & Yukon (RMH BC) comes in! RMH BC provides a home-away-from-home for families who need to leave their homes for serious or life-saving care in Vancouver.

RMHBC has a 73 bedroom house at BC Children's Hospital and a cozy 4 bedroom Family Room at Surrey Memorial Hospital, where over 2,000 families a year can stay together during this difficult time.

While healing at RMH BC, kids can have fun by going to music classes, playing video games and shooting hoops outside. Most importantly, the whole family can stay together and continue to create memories such as movie nights and bedtime stories.

Across BC and Yukon, people like you, your friends and your family make this all possible. There are many ways that you can support the House and whatever you choose to do, we will be here to cheer you on along the way!

Stories From Our Families

Carter from Prince George called RMH BC home for 3 months when his twin brothers were born prematurely.

Olivia from Terrace and her dad stayed with us for almost a year while she battled leukemia.

Kira from Kamloops and her family stay at RMH BC several times a year when she sees specialists for cerebral palsy.
