

Light The House From Your Community

The Holidays are a special time of year and all families have just one wish: to cozy up and spend quality time with their loved ones. At Ronald McDonald House British Columbia and Yukon, we ensure that families who are far from home can celebrate together and enjoy the festivities of the season, even while they are going through the most difficult of times as their child receives life-saving medical treatment.

Help us make the holidays bright at RMH BC & Yukon this holiday season by building your own Community Tree!

Between **November 1 to December 24**, help us Light the House from your own community by collecting donations through the sale of paper light bulbs for \$5 at your business, school or workplace. Donors can write their name or a message of hope on each bulb, which you can proudly display on your wall or common area.

How to Get Involved:

1. [Register Here](#) to start a Community Tree Fundraiser.
2. Receive your package of light bulbs, poster, and proud supporter logos.
3. Start collecting donations!

Interested in collecting donations online?

We can also provide a fundraising page for you to easily collect donations online.

[Check out the Community Fundraising Hub.](#)
